## Evening Closures on State Route 126 in Fillmore and Piru for Pavement Project

**PIRU, FILLMORE** – The California Department of Transportation (Caltrans) announced plans to close a lane in both directions of State Route 126 (Santa Paula Freeway) next week for shoulder and guardrail work.

From **Monday, February 11 to Friday, February 15**, the following lane closures will be in place in the cities of Fillmore, Santa Paula and the unincorporated area of Piru:

### Evening Closures 7 p.m. – 6 a.m.

- One lane of **westbound and eastbound** SR-126 from the Los Angeles-Ventura County line to the Hallock Drive in Santa Paula.

Some closures may start and end later. All closures are weather permitting and subject to change. Local city streets may be closed to allow crews to work on the highway.

Motorists should expect delays and are strongly advised to use alternate routes or avoid the area. Additionally, motorists can check traffic conditions before they leave by visiting the Caltrans [Quickmap](#).

The closures are part of a road repaving project that stretches from the Ventura-Los Angeles County Line to Haun Creek. Granite Construction Co. of Santa Barbara, CA is the contractor.

Caltrans reminds drivers to be “Work Zone Alert” and to “Slow for the Cone Zone.”
